Report from sub committee

Pricing update for Church Restoration

Work to be divided into phases

Phase 1. Sanctuary and Gable Wall

Cost around £220,000

Phase. 2&3. Aisle and sides x2

Cost around £180,000 each side

Phase. 4 Remainder of the church

Cost around £500,000

It was felt that breaking the work and costs into separate phases would make it more manageable.

Plan for phase 1 to begin next year

Future Fundraising

A flyer highlighting our aims to be circulated after Mass

Highlight against reminder that 2nd collection 1st Sunday every month for our church restoration

That this can be gift aided even in a plain envelope as long as individual number is there

Consider an addition to Church guide booklet in future to contain information about church maintenance fund

FrJarek asked us to consider charitable acts/ services we could give to the wider community

AOCB

A chance meeting with councillor Peter Wallace was an opportunity to raise the issue of the brown sign for the church... he asked that latest emails be passed to him so that perhaps he could help expedite matters..
